2. Contestants perform a single movement of a concerto for piano or solo instrument and orchestra. A concerto is appropriate for the competition only if 1) it has orchestra score and parts in print and is readily available, and 2) it is not programmed on AVSOMC's 2018-19 concert season. AVSOMC reserves the right to judge the acceptability of concertos and reject those not deemed appropriate for any reason. In exceptional cases—such as concertos with brief movements that connect without break—multiple movements or complete concertos may be acceptable. Contact the AVSOMC prior to registration for clarification.
3. Contestants submit a completed application, a copy of their birth certificate or passport, and a \$50 application fee. Application fee will not be refunded for any reason. Audition times will be assigned only upon receipt of all materials. All application materials must be received no later than Friday, September 28, 2018. Audition times will be assigned and emailed by Monday, October 1. Specific time requests will be considered whenever possible.
4. At the audition contestants must provide judges a score that includes a piano reduction of the orchestra part. Measures must be numbered with one number at the beginning of each line of music.
5. Contestants must play from memory with an accompanist playing the orchestra part. The entire solo portion must be performed. Orchestra passages without soloist may be abbreviated with cuts. Contestants provide their own accompanists.
6. Contestants arrive to auditions at Antelope Valley College's Music Building no later than forty-five minutes prior to their audition time. Reserved practice rooms will be available thirty minutes prior to each audition.
7. Judged auditions take place in the Antelope Valley College Performing Arts Theatre on Sunday, October 21.
8. Auditions are open to the public with free admission.
9. Winners will be announced immediately following auditions and emailed that evening.
10. The AVSOMC reserves the right to withhold awards where performances do not meet the judges' artistic standards. All decisions of the judges and the AVSOMC will be final.
11. All contestants receive a complimentary video recording of their audition.
